### ***May I Use Your Photograph of Pink Icing Doughnuts?***

*I love your photograph of the stacked pink doughnuts (with pink icing and sprinkles). It would be the perfect background image in a web design homework assignment that I am working on tonight (I am enrolled in a web design vocational school).*

*Would you be willing allow me to use your photograph for my homework assignment? (non-commercial use, with attribution to you as the creative artist who made the photo)*

*Thank you for your time,  
Chadwick Bissette*
